# THE AUSTIN SCHOOL

A Department of Education and Training School for young people who are patients of Austin Health and Austin Child and Youth Mental Health Services (CYMHS)

## General Information

The Austin School provides educational programs for young people who are patients of Austin Health and Austin Child and Youth Mental Health Services (CYMHS).

It is a prep / foundation to year 12 school catering for students from 5 to 18 years.

All students must be current patients of Austin Health and Austin Child and Youth Mental Health Services (CYMHS).

Students have problems of a serious physical, emotional, or psychiatric nature.

## School Programs

The school has a range of programs including residential, day and sessional.

These currently include:

- Child Inpatient Program
- Adolescent Inpatient Program
- Paediatric Ward Programs
- Social Education Program
- Social Skills Program
- Linking Education and Personal Development Program
- Return to Education and Vocation Program
- Outreach Liaison Program
- Consultancy

## Other Information

- Attendance for all students is short term
- Teachers have Special Education Qualifications or experience
- Liaison with home schools is an integral component of the programs
- Support with reintegration to home school is provided
- Teachers are members of clinical teams and work collaboratively to support students and families
- Students from government and non-government schools may attend
- The school has a School Council which meets monthly

## Enrolment Procedure

Students are referred to The Austin School by Austin Health or Austin CYMHS staff. Parents/guardians must complete an enrolment form before the student can attend.
