PROFESSIONAL DEVELOPMENT
~*THE AUSTIN SCHOOL*~

The Austin School provides specialised educational services to students aged five to eighteen years who have significant emotional, physical and/or psychiatric problems. Teachers work closely with the multidisciplinary teams from Austin CYMHS and Austin Health and liaise with the student's home school.

The Austin School provides professional development for teachers and educational support staff on strategies to support students struggling with social and emotional difficulties.

Primary Focus

Topics could include supporting students with:

- *Trauma background*
- *Behaviours of Concern*
- *Anxiety*
- *School refusal*

Secondary Focus

Topics could include supporting students with:

- *Disengagement from school (including school refusal)*
- *Tools for teachers to support students with mental health issues*

All programs can be tailored to meet the needs of individual schools.

Cost: Price on application.
